Here are the top candidates with **stronger climate policies** →

You must number every box from 1 to 16.

Why these candidates?

In order to be featured on this card, parties and candidates were surveyed on their climate policies.

This card prioritises parties and candidates that have demonstrated community support. For the full survey results and more information about how this was put together, go to getup.org.au/wentworth-votes

Send a message on climate change.

This time, don't vote Liberal.

The Liberals have no climate policy, no plan for investment in clean energy and no plan to cut coal pollution.¹
