5. **Will you implement programs that will ensure fair representation of people from non-English speaking backgrounds in parliament, government, and the media?**

Uncommitted

6. **Would you like to provide additional information on this question?**

I am unsure how to ensure the above.

I would implement programs that enable and promote fair representation of people from non-English speaking backgrounds in parliament, government, and the media.

7. **Will you reject attempts to introduce or strengthen rules in the Migration Act which will see one punishment applied to those who were born in Australia, and tougher punishments applied to both kids and adults born outside of Australia who have made this country their home?**

Yes

**9. Will you ensure that family reunion is possible for everyone and not just for the very wealthy?**

Yes

**10. Would you like to provide additional information on this question?**

Government departments should primarily provide a service and not be based on a 'user pays' philosophy.

**11. Will you work to end the exploitative temporary migration program that leaves migrants bouncing from visa to visa, highly vulnerable to unscrupulous employers, underpaid, and unable to reunite with their families - and instead re-introduce the permanent migration program on which Australia's national reputation was built?**

Uncommitted

**12. Would you like to provide additional information on this question?**

I would seek to have the temporary migration program modified to protect migrants. Many students I believe enter on the temporary program.

I am not aware of the permanent migration program being stopped, but will research more.

Our focus should be on the permanent migration program, with limits on numbers on temporary migration.
